

Maya Hu-Chan

Impact. A change agent. Making a real difference.

A Master Certified Coach and best-selling author, Maya believes her greatest, most rewarding accomplishment is the change she sees in her clients. When someone is able to overcome a barrier or seize an opportunity as a result of her coaching, training session, or keynote, she is validated in her mission to make a meaningful difference.

Maya is in the Top 8 Global Solutions Thinkers by Thinkers50, a World Top 30 Leadership Guru, and in the Top 100 Thought Leaders in Management & Leadership. Maya tailors her speeches to each unique audience, while centering on her noted areas of expertise: global leadership, cross-cultural management, diversity and inclusion.

Maya's keynote speeches are driven by her decades of experience as an executive coach. Her audiences discover fresh perspectives and new ways of approaching existing obstacles, and walk away with valuable, actionable "nuggets" of insight. Her interactive style invites audiences to be a part of the discovery of new ideas and concepts, with humor, expert information, and engagement to lead them there.
